

Mathematics

You will be sent a specific username and password from Mr James via your school email account. Go to www.mymaths.co.uk and login at the top of the page using the username and password.

Tasks your teacher has set are in the Homework area. If you click on one of the tasks, you will have the option to revise from the lesson first or go straight to the homework. You can try each task as many times as you like. Only your best score for each page of questions will be recorded. There is a minimum of 20 hours worth of work and your teacher will be able to see how well you did and when you completed the task.

Any student who needs more information regarding Mathematics or if you are an external candidate please email Mr James (jjames@jfk.herts.sch.uk).
