Getting know Product Designers

Research an **iconic product designer**. **Find out about** them and their products that they created.

Produce a short powerpoint presentation on them and your favourite product that they created. Your presentation should include:

- **Information on the designer**
- **Range of products they made**
- **Your favourite design from them**
- **Explain your reasons behind why you like their design.** Think about:
Aesthetics, Function, Materials, Fabrication and why was it an iconic design.
